Experienced Team

We are a small but mighty team. Erin and her family take care of the farm with Erin primarily in charge of the growing and design. We are lucky to have fellow designers and farmers on our team to provide you with the best of the best! We pride ourselves on taking yearly design classes to stay up to date with the latest flower trends.

Creative Excellence

Here at Full Moon, we love to create. Erin researches almost a year in advance of the following growing season to find the newest, most unique colors and blooms to create with. From pastel to jewel tone, we will bring your palette to life.

Client-Centric Approach

We work our hardest to ensure that all wedding florals we design will emphasize the unique vision and personal preferences of each couple, ensuring that every floral arrangement reflects their individual style and story.
